The Truckers Last Ride

*He travelled the roads
In years gone past
A life he chose and
Hoped it would last.*

*Driving all night
From place to place
Trying to get home
And arriving so late.*

*He parked his truck now
His engine has stopped
And those that love him
Their hearts have dropped*

*He travelled the country
With a smile of great pride
Now he drives the streets of heaven
On the Truckers last ride.*
