Amazing Grace

Amazing Grace! How sweet the sound,
That saved someone like me,
I once was lost, but now am found,
Was blind but now I see.

Twas grace that taught my heart to fear,
And grace my fears relieved.
How precious did that grace appear,
The hour I first believed.

Through many dangers, toils and snares
We have already come,
Twas grace that brought us safe thus far,
And grace will lead us home.

When we've been there ten thousand
years,
Bright shining as the sun,
We've no less days to sing God's praise
Than when we first begun.

In The Garden

I come to the garden alone,
While dew is still on the roses;
And the voice I hear,
Falling on my ear,
The Son of God discloses.

Chorus:

*And He walks with me,
And He talks with me,
And He tells me I am His own,
And the joy we share as we tarry there,
No other has ever known.*

He speaks, and the sound of His voice,
Is so sweet the birds hush their singing,
And the melody that He gave to me,
Within my heart is ringing.

Chorus:

I'd stay in the garden
with Him,
Tho' the night around
me be falling,
But He bids me go;
Thru the voice of woe,
His voice to me is calling.

Chorus:
