MEMORIES IN THE HEART

(author unknown)

Feel no guilt in laughter, she knows how much you care
Feel no sorrow in a smile that she's not here to share.
You cannot grieve forever; she would not want you to.
She'd hoped you can carry on, the way you always do.
So talk about the good times and the way you showed you cared
The days you spent together, all the happiness you shared.

Let memories surround you,

A word someone may say

Will suddenly recapture a time, an hour, a day
That brings her back as clearly as though she was here
And fills you with the feelings that she is always near
For if you keep these moments, you will never be apart
And she will live forever, locked safe within your heart.

*"Mum, you play a special part in all the treasured memories
we hold within our hearts"*
