Pooh: *"Eeyore, there were so many things
I thought I would have time to say."*

Eeyore: *"There usually are, Pooh.
We always think there will be another tomorrow."*

Pooh: *"I wanted to say thank you. And that I cared.
And that the ordinary days meant more to me than I ever knew how to explain."*

Eeyore: *"And you didn't get to say them?"*

Pooh: *"Not all of them. There were a million little things
still waiting in my heart."*

Eeyore: *"What about goodbye?"*

Pooh: *"No. Goodbye was never one of them."*

Eeyore: *"Perhaps that's because some people are too important for goodbye."*

Pooh: *"Then what do you say instead?"*

Eeyore: *"You remember them. You carry the things you never said.
And whenever you miss them, you quietly tell them again in your heart."*

Pooh: *"Do you think somehow they'll know?"*

Eeyore: *"I'd like to think that love hears
the things words never had the chance to say."*

Pooh: *"Then I won't say goodbye."*

Eeyore: *"No, Pooh. Just say, 'I'll carry you with me.'"*

— A. A. Milne-inspired dialogue, Winnie-the-Pooh
