### **THE TRUCKER'S LAST RIDE**

He travelled the roads  
In years gone past  
A life he chose and  
Hoped it would last

Driving all night  
From road to road  
Trying to get home  
And arriving so late

He parked his truck now  
His engine has stopped  
And those who loved him  
Their hearts have dropped

He travelled the country  
With a smile of great pride  
He now drives the streets of heaven  
On the truckers last ride.
