### THE SCOT WITHIN ME

Why is it that my heart stirs  
When I hear the bagpipes play?  
Why do I feel Scotland is my home  
When I live so far away?  
Why do I feel a sense of pride  
When I see the Saltire fly?  
Although it may seem strange to you  
Perhaps I can tell you why.  
When you are born of Scottish blood  
Something strange seems to take place  
As if a seed is planted within you  
Which makes you fiercely proud of your race.  
Because Scotland is as much a part of you  
As the blood flowing through your veins.
