**MOTHER**

*A wonderful mother, so loving and kind  
What beautiful memories you leave behind  
Sharing and caring and always content  
Loved and respected where ever you went  
A happy smile, a heart of gold  
You were one of the best this world could hold  
A special sister, mother, wife and Nan  
So kind and true*

*What beautiful memories, we have of you.  
They say it's a beautiful journey*

*From the old world to the new  
Some day I'll take that journey  
Up the staircase that leads to you  
And when I reach that garden  
Where all are free from pain  
I'll put my arms around you and  
We'll never part again*

**ABIDE WITH ME**

*Abide with me fast falls the eventide;  
The darkness deepens;  
Lord, with me abide:  
When other helpers fail and comforts flee,  
Help of the helpless, O abide with me.*

*I need thy presence every passing hour;  
What but thy grace  
Can foil the tempter's power?  
Who, like thyself, my guide and stay can be?  
Through cloud and sunshine,  
Lord, abide with me.*

*Hold Thou thy cross before my closing eyes;  
Shine through the gloom,  
And point me to the skies;  
Heaven's morning breaks,  
and earth's vain shadows flee;  
In life, in death, O Lord, abide with me.*
