Our Mother's Garden

Our Mother kept a garden.
A Garden of the heart.

She planted all the good things that gave our lives
their start.

She turned us to the sunshine, encouraged us to
dream:

Fostering and nurturing the seeds of self-esteem.

And when the winds and rains came, she protected
us enough – but not too much, she knew we need to
stand up strong and tough.

Her constant good example always taught us right
from wrong – the markers for our pathways to last our
whole lives long.

We are our mother's garden.
Rest in peace Mum.
