

### *“Essential”* Funeral Services

The *“Essential”* Funeral Service is designed to bring a cost-effective option to funeral service.

Services are included that bring a meaningful and respectful aspect to the occasion.

Our Chapel is offered as the venue for an Essential Funeral Service on any morning, Tuesday to Friday. Morning tea is offered to family and guests prior to the service – this introduces a slightly less formal aspect to the arrangements.

Please note that the Professional Service fee offered (\$3750) is specific to the described Essential Funeral Service, and would incur additional fees if other additional services are requested.

The following time schedule is our recommended format on the day of the funeral:

- 10.15am. Morning Tea served in Frasers’ +Catering Lounge prior to the service.
- 11.00am Funeral Service commences in J Fraser and Sons’ Chapel
- 12 - 12.30pm Delivery to Southland Crematorium (or Burial committal at Eastern Cemetery).
- 1pm Completion of all services

*Please note that our fees for the care of the deceased are inclusive of normal full embalming procedures, prior to dressing and casketing, but we will always seek family permission prior to commencing this process.*

*“Essential”* Funeral Service Fees (GST Inclusive).
